

College Matriculation

WHERE DO OUR GRADUATES GO?

Our focus is on helping students find the best-fit college for them and a path forward toward a life full of good work and purpose. Each year we graduate 40 seniors, and on average, 95% percent of them enroll in a 4 year college or university. Over the years, Griffin graduates have matriculated to a diverse and extraordinary list of colleges and universities, including:

- | | |
|---|---|
| American University | Reed College |
