STATE OF TEXAS EDUCATIONAL SAVINGS ACCOUNT (ESA) PROGRAM:

Griffin School is carefully following the rollout of the new State of Texas ESA program. During the 2026-27 school year, we will examine the rules and protocols that are being developed for this new system and track the impact on schools across the state. Griffin School is not participating in this system for the 2026-27 school year, and we will consider it in advance of the 2027-28 admissions cycle.
